CITY COUNCILS .- Board of Aldermen .- In the absence of Mr. Hill, President, Mr. Clark, Vice President, took the chair.

Mr. Pepper presented the petition of Alfred Hun ter adverse to the license laws. Referred. Mr. Borrows, a petition of James Kennedy, for the remission of a fine for using a false measure in market, said measure not belonging to him, and only by accident on his stand. Referred.

Mr. Johnson presented a petition, numerously signed, against the new laws in relation to the sale of liquor. It requests that the enforcement of the law be suspended for a time sufficient to permit tavern-keepers to close their business without injury to their creditors. Mr. Houston unrolled a petition some eight feet in length of the same character. He spoke warmly in

defence of the proscribed class of citizens, who were now singled out from other traders to be ruthlessly put down.

Mr. Borrows denied the right of position to liquor sellers. Tavern keepers ca ried on a business that was only tolerated. They had eighteen months notice by the vote of the people a ainst license, and had no right to complain. Tavern keeping was no on a footing with other business. The laws of the Corporation is the same to them as it is to lottery offices and gambling houses.

Mr. Pepper and others wanted all the papers in connection with the prayers of the memorialists

Mr. Houston said that he had made no distinctions; had not said that dealers in liquors were on the same footing with others, but as Mr. Borrows had raised the question, he would say that the traffic in liquors is the same as any other traffic. In applying for license there is no distinction made. As to the vo e of the people against license, that only applied to the first Council elected after the vote. It was nonsense to think this Council bound by it. The memorials were referred.

Mr. Houston presented the petition of Jas. Donnelly for remission of a fine for not having the transfer of a license he received from his predecessor recorden on the books of the Corporation. Referred to the Committee on Claims. Mr. Pepper, from the Committee on Improve

ments, reported a joint resolution repealing certain acts in relation to the foot-pavements on the east and west side of square 482. A letter of Col. W. W. Seaton was read, which showed that it related to grades of streets near his

residence.

Mr. Evans opposed any change of grades in favoritism to any citizen. Mr. Pepper said there never was any regular grades establ shed, and it was only an act of justice to Col. Seaton to pass the resolution. It was then passed, Mr. Evans only voting in the

negative. Mr. Bayley reported an act appropriating \$45 t Mr. Rowe for repairs of sewer corner of Thirteenth and Eighth streets. Passed. Mr. Pepper reported an act for repaving footway north side of Louisiana avenue. Passed.

Mr. Pepper offered a joint resolution to establish the grade of Eighth street north; which was adopted. Mr. Marks reported a joint resolution in regard to grading E street south. Passed. The bills, from the Board of Common Council, for the relief of Morris Holleran, Geo. Hercus, and Jas. Mitchell, were referred.

The bill making appropriations for Public Schools

was referred. The Boards having agreed to meet in joint session to elect Trustees for the Public Schools, assembled in the Aldermen's chamber. Mr. Davis, President of the Board of Common council, was called to the chair, and Mr. Middleton, Clerk, elected Secretary Messrs. Busey and Magruder, tellers. The result of the ballot, was the election of the following

Trustees: First District-Josiah F. Polk, C. W. Bennett, and J. P. Dickerson. Sec nd District-P. F. Bacon, T. J. Magruder, and Wm. Lord. Third District-C. W. Davis, Wm. Dixon, and

Grafton D. Hanson. Fourth District-S. York AtLee, John Knight and P. M. Pearson. The vote was two to one for the successful can didates. The Board has but three of the old mem

bers, Messrs. Bacon, AtLee and Pearson. The act appropriating \$500 for the Third Ward and \$500 for the Fourth Ward to clean their street. and gutters, and five hundred to the Fourth Ward to repair streets, bridges, &c., was passed.

Mr. Borrows reported in favor of increasing th pay of physicians to the poor from \$100 per annum to \$200; and the bill was passed. HOTEL KEEPERS' PETITION.

Mr. Fitzpatrick, from the Committee on Police. report it a bill in response to the petition of Messrs Willard and others. It provides that a tavern-keeper who has forty rooms or over shall pay \$200 for a license; th se under forty and over twenty rooms \$150, and all others who have the accommodations of an inn, the licenses shall be \$120. All tippling houses are prohibited, the fine for every selling o liquer to be \$20, or imprisonment in the workhouse in detault of paying the fine and costs. The bil permits taverns to sell in large or small quantities to boarders and guests. It repeals the late tippling

Mr. F. read a report in favor of this modification Mr. Borrows explained, saying that the act in re lation to seiling by the pint only related to the stores, not to hotels. The bill and report was ordered to be printed; and

on motion of Mr. Houston, was made the order of the day for Monday next. The new bread bill, from the other Board, was re ferred to the Committee on Police. An act to authorise the Mayor to grant permission for public meetings with consent of neighbors, wa-

The bill appropriating \$1,000 to purchase 150 cord of wood, to be given to the goor in January and February, was referred. An act for the relief of George Stewart, out after

hours. Referred. A communication was received from Fitzhugh Coyle, in relation to the high charge of wharfage at the Canal for landing guano, and asking a reduction in charges, which was referred to the Committee on Canals.

And then, at 10 o'clock, the Board adjourned. Common Council .- Mr. J. W. Davis only absent Mr. C. A. Davis presented a petition from Samuel Redfern, asking the sale of an alley in square 105. Referred. The bill for the relief of Andrew Henson was re

ferred, and a bill adverse to his claim was passed. A bill for the relief of W. W. Demaine, assistant Surveyor, was passed. Nay-Mr. Donn. The petition of A. Hertmiller, C. Coltman, and others for opening an alley in square 315, was referred

An act amending the act of June 3, 1853, in relation to Public Schools, was passed. The joint resolution establishing the grade of C street north, from Twenty-second street, as received from the other Board, was slightly amended and passed.

The bill for the relief of John S. Gallagher was re ferred. The act to abate a nuisance at the intersection of

Twelfth street and Maryland avenue was passed. The bill to lay waterpipes along D street, between Ninth and Tenth, was referred. The act from the Aldermen abolishing the offiof Commissioner of the eastern section of the Canal

was passed-yeas 13, nays 7. The bill to complete the records of the city grades in the Surveyor's office, was referred. A bill for graveling Fourth street, from G to L. &c.

was referred. The bill to grade C street south was passed. The Board then took a recess to meet jointly with the Aldermen, to elect trustees of the public schools. for proceedings of which see report of the Board of

The Board resumed its business, and a bill for relaying gutters on the west side of Eleventh street, near E street, was referred.

A bill authorizing the aprointment of a Superin tendent of Public Schools, and abolishing the offices of secretary and treasurer, was passed, on motion of Mr. Busey, after debate, by yeas and nays, as fo

Yeas-Messrs. Kelly, C. A. Davis, Barr, Plant, Ball, Clements, Busey, Killmon, Cross, Ruff, Stewart, Bamberger, Gill, and Davis, (President)-14.

Nays-Messrs. Newman, Donn, Walker, Duncanson, McCauley, and Smith-6. A committee was appointed to confer with a committee of the Board of Alderman in relation to the

disagreement of the two Boards about the site for the new Western market. At about 11 o'clock, the Board adjourned.

Union Choir Association .- This body held their monthly rehearsal last evening in E street Baptist church. The attendance was large. Prof. Schell introduced the performances by a beautiful voluntary upon the organ, and accompanied Messrs. Clubb, Daniels, Brown, and Potter, in the fine chorus from Mozar's Twelfth Mass-" Dona Nobis, pacem,"sung to the words, "Let us, with a joyful mind," &c. Several choruses were then sung, and quartetis by the chairs of Estreet church, and F street Presbyterian church, both accompanied by Prof. Schell on the organ. Two quintetts were also sung by gentlemen from the following choirs: F street Presbyterian church, (first tenor;) Wesley Chapel, (second tenor;) Methodist Church South, (alto;) Wesley Chape, (first bass;) Church of the Ascension, (second bass) The conductor, Capt. F. A. Tu ker, announced that the Board of Managers had unanimously resolved to give a concert, under the auspices of the Ladies Union Benevolent Society, for the benefit of the poor. A committee of arrangements has been appointed, whose zeal will forward the matter with all possible celerity. The performances concluded with the benediction by Rev. Mr. Samson, and the doxology sung to Old Hundred.

CENTRE MARKET .- The Centre market appeared to be amply supplied this morning, prices as hereto fore generally, and purchasers looking most rueful. Even the ladies who have their ma ket-meeting gossip, we not to be met in their usual merry way. The hucks ers were at their posts, selling Irish potatoes at fifty cents a peck, and other culinary matters at old prices. They very wisely did not keep away from the Centre, but are not yet to be considared off the strike.

THE CHURCH DEDICATION .- An immense concourse of people a sembled yesterday afternoon, to witness the ceremony of laying the corner stone of the Metropolitan M. E. Church, on the corner of C and Four-and-a-half streets. The windows and other prominent places were filled with ladies, and ex ensive arrangements were made for seats near the speaker's stand. A large number of visiting preachers were present, among them the Reverend dessrs. Register, Newton, J. McKendree Reilley, Dice, William Krebs, E. D. Owens, and Keys, from Baltimore. The Rev. Messrs. Masonic Ceremonies-By Dr. Wm. B. Magruder Grand Master. Doxology and Benediction-By Rev. James H

Having published yesterday a list of the contents of the hermetically sealed glass case, as deposited in the corner stone, we have only to add that the ceremonies were deeply impressive. Bishop Simps in's address was one of great power, and Dr. Ma gruder in performing the duty assigned him, as Grand Master of the Masonic Order in the District, delivered some excellent remarks on the essentiality of a universal brother-hood. Prosperi's superior band made appropriate music from time to time, on the occasion The arrangements were a ost completely made, and ail things were done properly and in order. The trustees of the new church edifice are &. H. Lana. Thomas Pursell, Z. W. McKnew, Thos. H. Havenner, William G. Deale, Dr. Flodoardo Howard Samuel Norment, Samuel Fowler and C. Boteler. SERENADE TO GOVERNOR BIGLER .- Last evening, a number of the personal and political friends of Governor Bigler, of Pennsylvania, citizens and sojourners at Washington, desiring to compliment that gentleman, who is stopping at Willards' Hotel engaged Prosperi's Cornet Band, and at 10 o'clock serenaded him with a number of spirited, patriotic airs Quite a crowd was present. At the close of the music, Governor Bigler was called for, when he came forward and delivered one of his sensible, comprehensive speeches, for which he is noted, much to he satisfaction of his hearers. In his speech, the Governor alluded to the recent defeat of his party by the enemies of the Constitution, and expressed the firm conviction that, notwithstanding fanaticism and intolerance, like a dark pall, now overspread the land, the sun of the Union-saving Democracy would oon shine out, dispersing the mists of error, preserving inviolate that charter of freedom, the Constitution of our country. Robert Tyler, Esq., of Philadelphia, also delivered a brief, eloquent address, which was warmly ap

The newspapers make some sport of the acting Secretary of the Treasury, because, in his late circular, he is supposed to imitate Gen. Taylor's "all the world and the rest of mankind" expression, by exempting from duty "fish of all kinds, and all other creatures liv ing in the water." The Boston Mail asks "Do our cotemporaries suppose that nothing but fish live in the water? Did none of them ever get in sight of a sea-horse?"

The editors of the Richmond Bulletin offer to sell their paper and office. They say if their office is not sold before the 20th of November, it will then be sold at auction to the highest bidder. There was a great scarcity of shipping

VASHINGTON LODGE, No. 2, I. O. O. F., Mr. B. Burrow-Dear Sir-In compliance with your quest we inform you for the benefit of the public, that a brother of our Order, John R. Jasper, became sick while a stranger in this city, and in consequence of his destitute co dition was sent to the Hospital, where he was found by committee of this Lodge, suffering from a disease terme Scrofula or King's Evil, and in so low a state as to be pronounced by the physicians incurable. On recommendation of a brother he was induced to try your medicine, and in three weeks was declared cured and left the city for New York; and in our opinion his restoration to health was caused solely by the use of your specific.

NORFOLK, Sept. 6, 1853. Dear Sir-In compliance with your request, we, the undersigned, cheerfully state that in the fall of 1844 our attention tion was directed to the deplorable condition of a strange named John R. Jasper, who had been treated for Scrofule without effecting a cure, and at the suggestion of a friend with some others of the Masonic Fraternity, of which Mr. Jasper was a member, directed you to administer your Elix-IR VITA, and that after he had taken it some weeks he was declared cured, and left Norfolk apparently a well man.

Respectfully, &c. Simon Stone, Philip I. Cohen, F. F. Ferguson, Wm. D. Serl. Mr. B. Burrow.

of it should be universally known-for it is strictly true—that indigestion is the parent of a large proportion of the fatal diseases. Dysentery, diarrhosa, cholera morbus liver complaint, and many other diseases enumerated in the city inspector's weekly catalogue of deaths, are generated by indigestion alone. Think of that, dyspepties; think of it all who suffer from disordered stomachs, and if you are willing to be guided by advice, founded upon experience, resort a once—don't delay a day—to Hoofland's German Bitters, pre pared by Dr. C. In cases of recent Colds Coughs, Hoarseness, &c., it gives immediate relief, and generally cures in a day or two, without interfering with diet or business, or rendering the system more susceptible of Colds, in chronic cases, Asthma, Whoop ng Cough, Oroup, Bronchitis, Affections of the Lungs, and Consumption it is always very b neficial and seldom fais, when commenced in time to perfect a cure.
